Hi Claire-  
Wondering if you could help out with the response to this email (see below)?  
Let me know.  
Thanks,  
Michelle

Subject: ATSDR

I have been writing emails to the EPA requesting the results of the toxicity report by the ATSDR for the Gold King effluent plume from the Animas water and sediment sample analyses taken in the Durango vicinity with no success. I have the raw sample data but no analysis by the ATSDR. Could you help me?
